APRIL 2019
EXPLANATION OF CHANGES
P&C FORMS

New Forms

1. ACORD 10 SC (2019/07)
SOUTH CAROLINA REQUIRED NOTICE FOR PROPERTY AND CASUALTY
INSURANCE APPLICATIONS

Pursuant to SC Code 1976 § 38-75-1200, an application for the original issuance of a policy of insurance covered in the article must have the statement contained on this form printed on or attached to the first page of the application form. This article applies to all property insurance and casualty insurance, as defined in Section 38-1-20, except for automobile insurance and any other type of property or casualty insurance as to which there are specific statutory provisions of law governing cancellation, nonrenewal, or renewal of policies. This article further applies to policies issued by licensed insurers and to policies issued by eligible surplus lines insurers.

This amendment makes Section 38-75-1200 consistent with the language of 38-75-730. It gives the insurer an initial period of 120 days (instead of 90 days) in which the insurer can cancel the policy without cause.

This takes effect on July 1, 2019.

Note for Motor Vehicle Insurance Applications, effective July 1, 2019, use ACORD 9 SC (2019/07).

This is a new form.

2. ACORD 38 CO (2019/07)
COLORADO MODEL PRIVACY FORM WITH OPT-OUT

This form was designed to be consistent with 3 CCR 702-6:6-4-1 Appendix B, which permits the use of the standardized Federal Model Privacy Form, if the Form is accurate for each institution that uses the Form. Colorado's regulation governs the treatment of

nonpublic personal health information and nonpublic personal financial information about individuals by all licensees of the Colorado Division of Insurance.

The Form consists of two (2) pages, which may be printed on both sides of a single sheet of paper or may appear on two (2) separate pages.

As per 702-66-4-1, Appendix B, where a licensee provides a long list of licensees or financial institutions at the end of the Model Form in accordance with Instruction Section B.3.a.i., or provides additional information in accordance with Instruction Section B.3.c. and such list or additional information exceeds the space available on page two of the Model Form, such list or additional information may extend to a third page.

In addition, as per 702-66-4-1, Appendix B, the section "Definitions" on page 2, must be customized as indicated in this FIG and the definitions must be italicized.

Note that disclosure of certain information, such as assets, income and information from a consumer reporting agency, may give rise to obligations under the federal Fair Credit Reporting Act, such as a requirement to permit a consumer to opt of disclosures to affiliates or designation as a consumer reporting agency if disclosures are made to nonaffiliated third parties.

This version allows the applicant/customer to opt out.

Treat this as a new form as prior versions of 38 CO were withdrawn.

Use ACORD 39 CO for the Model Privacy Form with No-Opt Out.

3. ACORD 39 CO (2019/07) COLORADO MODEL PRIVACY FORM WITH NO OPT-OUT

This form was designed to be utilized when no-opt out is offered.

Please see the above description for ACORD 38 CO (2019/07) for additional information.

4. ACORD 42 CA (2019/07) CALIFORNIA RESIDENTIAL PROPERTY REPLACEMENT COST NOTICE

ACORD 42 was created to be in compliance with Cal Ins. Code § 10103.4. The statute provides that an insurer that provides replacement cost coverage shall on an every other year basis, at the time an offer to renew a policy of residential property insurance is made to the policyholder, provide an estimate of the cost necessary to rebuild or replace the insured structure that complies with California Code of Regulations. In the alternative, an estimate of the replacement cost is not required

when the offers in this Form are made. See Cal. Ins. Code §10103.4 for additional information. This statute becomes operative on July 1, 2019.
