## **LIFE AND ANNUITY FORMS REVISIONS**

## **UPCOMING PROPERTY AND CASUALTY FORMS CHANGES**

While we are monitoring legislative and regulatory changes, we advise of the following potential impacts. Please be advised that this is not meant to be exhaustive. If there is something additional ACORD should be reviewing/monitoring, do not hesitate to reach out.

### ➤ **DELAWARE**

Delaware has enacted Senate Bill 184, which prohibits homeowner’s and private passenger motor vehicle insurers from considering non-pending arrests, charges and indictments that do not result in conviction, (ii) convictions unrelated to fraud or the risk being insured, or (iii) driver’s license suspensions or revocations for non-driving related reasons. The provisions of the bill apply to all policies issued or renewed beginning September 14, 2024.

ACORD will be reviewing applicable forms to evaluate for any changes.

### ➤ **MARYLAND**

Maryland passed new legislation that in part provides that effective 10/1/2023, and applicable to all new policies issued on or after July 1, 2024. EUIM coverage will be subject to an opt out as opposed to an opt in.

ACORD will be reviewing the auto applications to evaluate for any changes.

➤ **MINNESOTA**

Minnesota passed legislation requiring a premium discount or reduction to an owner who builds or locates a new insurable property. Insurable property means a residential property designated as meeting Fortified program standards as administered by the Insurance Institute for Business and Home Safety.

We have filed a form to address this discount and will release it when approved.

**GENERAL UPDATES TO PROPERTY AND CASUALTY**

We will undergo a review of our forms to make changes to the forms to keep the forms compliant. We are looking for improvements to the homeowner applications with the number of changes that have occurred to state-specific questions.

**UPCOMING LIFE & ANNUITY UPDATES**

1. Regarding ACORD 951/951e, we have received several requests/inquiries to make changes to these forms. Remaining requests include a suggestion for potential combination of forms 951/951e, and inquiries related to the ceding policy type and receiving policy type format. We have convened a Special Projects Group to look at these issues and other issues related to ACORD 951 and ACORD 951e. **Please reach out to ACORD if you would like to join this group.**
2. The ACORD Standard Life Insurance Application project is continuing, and we are making great advancements on this project. Should you want additional information about the status of this project or how to get further involved please do not hesitate to reach out to ACORD.
