Reserve Your Spot for ACORD's Fall Events

This fall, join us in a virtual format for our hallmark events to learn about the latest in insurance technology, brush up on your ACORD Standards expertise, and position your company for success.

ACORD Connect will take place on **October 28**, with thought leaders and key influencers from across the global insurance industry gathering to discuss current and future trends in the industry, and to help develop your ACORD Standards and Architecture expertise.

We also invite you to attend **ACORD Industry First** on **November 16**, an exclusive event that brings together senior industry leaders at the intersection of insurance and technology. ACORD CEO Bill Pieroni will present the keynote address on the results of ACORD's 2021 flagship study, "Global Insurance Growth & Value Pools."

Congratulations to the Innovation Challenge London and New York Winners!

ACORD InsurTech Innovation Challenge held two events in September to recognize and promote InsurTech start-ups whose innovations have the potential to disrupt traditional approaches to the insurance industry. Congratulations to our winners:

- [Intelligent AI](#) (AIIC London)
- [handdii](#) (AIIC New York)

Both winners were awarded a \$10,000 cash prize, which London winner Intelligent AI pledged to split with runner-up SOSO Care, and the opportunity to present their innovation at an ACORD-promoted webinar.
